

**Dept. of Farmer Welfare and Agriculture Development
Govt. of Madhya Pradesh**

**State Institute of Agriculture Extension and Training (SIAET)
Barkhedhi Kalan, Bhadbhada Road, Bhopal**

ENGAGEMENT OF IT CONSULTANCY SERVICES

Govt. of Madhya Pradesh is supporting various agriculture development programmes in the State to improve productivity and production, farmer incomes and contribute to all round sustainable development. SIAET is the nodal institution of the Dept. of Farmer Welfare and Agriculture Development to provide technical support to State, divisional and district level staff engaged in implementation of various schemes. Pursuant to this goal, SIAET seeks to engage a professional organization to offer IT consultancy services to promote the use of ICT in agriculture.

Job Description:

1. Provide all round support for the implementation of various IT based initiatives of the Dept; planning and executing training, monitoring and other IT related modules; assessing and advising the Dept. on network expansion, add-on services, hardware and software requirements; preparing and evaluating tender documents; quality control.

Companies/entities with at least 5 years experience in similar IT based services, preferably with direct experience in the rural development/agriculture sector may apply at the address below, giving their full profile, details of past project undertaken, current work list, list of technical personnel with qualifications and audited balance sheet for the past three years. Experience in Madhya Pradesh will be given additional weightage.

Communication Address: Interested parties may submit their full particulars **latest by 10 February 2009** to "Director, SIAET" Barkhedhi Kalan, Bhadbhada Road , Bhopal (M.P.)" Phone 0755-2696610, Fax 0755-269669
