

DIRECTORATE OF FARMER WELFARE AND AGRICULTURE DEVELOPMENT (DFW & AD)

Government of Madhya Pradesh, Vindhyachal Bhawan, Bhopal

EXPRESSION OF INTEREST

For Public Private Partnership (PPP) in the activities related to Agriculture Extension under Agriculture Extension Reform Project (ATMA)

Govt. of Madhya Pradesh is implementing various agriculture extension programmes in the State to disseminate information & technology from laboratory to field under the Agriculture Technology Management Agency (ATMA) Program. . The state seeks long term partnership in its endeavour to encourage, promote & popularise agricultural technology & allied subjects and to provide unlimited opportunities to the farming community to reap a better harvest & raise their income. To widen and strengthen its resource pool, the state seeks long term partnership with the capable agencies to nurture their Agriculture & Allied sector related expertise for the benefits of the farmers. Through this EOI DFW&AD is looking for suitable Agencies who can partner with DFW & AD Govt. M.P. in following activities:

Services to be provided: Interested NGO's, institutions, organizations are expected to provide following services in accordance with the guidelines .

1. Propose and execute the Agriculture & allied sector extension activities under ATMA cafeteria of GoI.

(Details of ATMA cafeteria is on the website www.mpkrishi.org)

Details required for screening: Applicants must provide following details with proof:

- Registrations, years of active business in similar area, area of expertise, similar experience, related staff details, turnover from similar business
- Exposure and experience of Agriculture & Allied sector extension activities in M.P. (if any)

Last dates: EOI can be submission till 30th January 2009 upto 5:00 PM, Clarification will be taken into account till 23rd January 2009 during office hours.

Selection process: three-stage selection process will be adopted as:

Stage-1: Initial screening of prospective agencies based on the EOI submitted

Stage-2: technical qualification through technical evaluation parameters (will provided to screened agencies for submission of technical proposal) and subsequent presentations.

Stage-3: RFP will be invited in prescribed format from short listed parties.

Communication Address: Interested agencies may send their proposal to “Director Agriculture, DFW & AD, 2nd floor, Vindhyachal Bhawan, Bhopal (M.P.).”
